

Saving money for the over 60's

## “TIME FOR A BREAK” COMPETITIONS FREE TO ENTER FOR THE OVER 60'S

### Why the Competitions?

These competitions provide a chance for older people to take a break. The prizes aim to help them stay active and follow their own leisure interests. Whether it's free membership of organisations such as the National Trust or Royal Horticultural Society offering hundreds of places to go for free. Or a visit to the pub. Or a chance to get started on that DIY project. The prizes will change from month to month. But they all have the same goal of helping older people stay active and save money. And, wherever practical, they can use their bus pass to get there for free.

### About the Concessionary Travel Club

We started with the simple aim of helping older and disabled people make the most of concessionary travel to keep active and save money. Each destination on our web site has a pre-built link to a journey planner. So by entering their own post code the traveller can plan their bus journey there with just a single click. Our work has been endorsed by Baroness Joan Bakewell and the Government Departments of Health, Work & Pensions and Transport.
